

December 2009

Dear Friends,

December was a busy month for us as I am sure it was for you. I hope you have the peace of the Lord in your hearts and I also pray that you are looking forward to the year ahead.

Those that are reading this have expressed their interest in what is happening here and many of you are supporting too.

Thank you all for being a partner with what God is doing here.

Angel tree 2009

We had a wonderful Christmas service where we presented children their gifts from a local Orphanage.

This year we supported a smaller Orphanage and we also supported a local work that helps Children and young people who live on the street. They open their place for showers and food and other needs. Through the sale of pens which the kids assemble they support their work.

We purchased 200 pens and gave gifts. This was a great time as our Christmas service was our largest service of the year.

Ending the Year

As we come to a close for this year, we can look back and see the hand of God on what has happened here in Prague. We started 2009 with a week of prayer and fasting, which we will do again from the 10th – 17th of January 2010.

We believe that many things happened this year that could not have happened without it. We saw people get saved, miracles of healing, provision, someone got pregnant that was said not to be possible. Doors of favor have begun to open, we registered the Church with the government, and we are looking for more in the year ahead.

Father I pray for our partners that 2010 will be a year that your will, will be fulfilled in their lives. I pray that all that you have purposed for them to do will be done and all that you have spoken to them will happen. Father, pour out your peace and love into their hearts so that they might know you more and more.

Amen.
